

You're invited to attend a FREE event at The Island House to learn about an oyster project protecting one of our local marshes—

Sunday, October 3rd, 1:00-3:00 pm.

Boat rides! Food! Coastal resilience!

We hope you'll come to talk with our team about this exciting restoration project, so close to Wachapreague you can see it from the deck at the Island House!

**Boat rides to the restoration site!
Light refreshments, demonstrations, and
opportunities to get involved!**

For more information about this event, nature-based solutions for coastal resilience, or how you can help with this project, please contact Margaret Van Clief at mvanclief@tnc.org or (757) 414-9227.

**No RSVP needed!
Boat tours offered
throughout the
event.**

This project is supported by funding from the National Fish & Wildlife Foundation and performed in partnership between The Nature Conservancy, University of Virginia, Accomack-Northampton Planning District Commission, and the local community.
